PORTABLE KITCHENS
USED IN BERLINCHEAP MEALS FURNISHED THE
POOR IN THE CAPITAL
OF GERMANY

(By Associated Press.)

BERLIN, May 2.—The portable field kitchens which the soldiers call "goulash cannon" are being introduced into the streets of the poorer sections of Berlin, selling warm dinners to all comers for 35 pfennigs per portion. The town council of Lichtenberg, a big suburb of Berlin, was the first to adopt the idea. Many of the working people have no time to cook for themselves, and they can be far more cheaply fed by cooking en masse at central points and distributing the food through the field kitchens.

The basements of some of the big school houses have been fitted up as kitchens where in huge boilers, each holding over a hundred gallons, meat and vegetables by the wholesale are converted into palatable stew. The "goulash cannon" which haul the product through the streets for sale are each provided with a boiler under which a slow fire is kept burning.

The idea has become so popular that it is predicted that the "goulash cannon" will long survive the war which popularized it.

BULLION TAX REPORT
OF NEVADA CONSOLIDATED

The Nevada Con. bullion tax report for the quarter ending March 31, of the present year, as filed with County Assessor Clark, is as follows:

Tons ore mined	848,370
Gross yield	\$5,202,226.47

Mining	771,384.50
Trans.	224,873.63
Reduction	1,337,782.16
Total Deductions	\$2,372,218.91
Total Net Proceeds	\$2,830,007.56
80 per cent of net	\$2,264,006.05

Bullion Tax \$35,396.41
—Ely Record.

CARLOAD OF BUICK AUTOS
ARRIVES FOR R. J. HIGHLAND

R. J. Highland, agent for the Buick built in the head valve motor car, announces the arrival of a carload of Buicks which are ready for delivery. Two of the machines have been sold and, from all appearances the Buick will be the most popular machine on the market this year for particular people.

SUFFERING FROM PTOMAINES

Miss Guinevere Bertrand, assistant postmaster, is suffering from a severe attack of ptomaine poisoning contracted last Thursday. She is progressing nicely and will be back at her post in a few days. In the meantime Mrs. May Peeler is acting as assistant having been called back from her vacation.

STRIKE IN YOUNGSTOWN

(By Associated Press.)
YOUNGSTOWN, O., May 2.—About 2000 machinists did not report for work today, having been refused 8 hours with 9 hours pay.

BRUISED HIS FOOT

Ed. Solberg employed at the Belmont sustained a badly bruised foot this morning by a slab of rock falling on the member. He was treated at the Mine Operators' hospital.

THE KENDALL BLOCK

The demurrer in the case of Duval vs. Condon involving the ownership of the Kendall block was heard in the district court this morning and taken under advisement.

TWO ATHLETIC MEETS
TO BE WELL STAGED

Gus Rainier of the Goldfield Athletic club has arranged a four round card that looks to be the best ever offered the fight fan in Southern Nevada.

The bouts will be staged on Thursday evening, May 4th, in the Goldfield Athletic club's pavilion, and the two headliners of the evening will bring together Danny Mathews the Goldfield favorite lightweight and Paddy O'Hern a newcomer who claims the lightweight championship of Montana. O'Hern has several heavy backers with him in Goldfield, who claim they have the next champion of the world, and as the winner of this bout has been promised a ten round go with Solly Salvatore here on May 12, the two boys can be depended to put up a hair-raising exhibition when they meet.

The other big event will bring together Bob Graham, who not so long ago was beating every boy he met in the squarred circle, around here, and Bert Williams, a Tonopah youngster, who is said to be forging his way to the front. Bert fought Red Howard last month and gave the Jumbo man a severe drubbing.

The Flying Dutchman, who has a challenge out for any wrestler in the country, is going to try his hand at boxing and will be pitched against Red Howard in the special event.

Chaiky Miller, the little colored cyclone, who has been beating them all, and who fights like a wild cat, meets a good boy when he is going up against Young Mitchell, of this town. The curtain raiser will be between Tommy Wilson, Goldfield's fighting bell boy and Kid Lewis of San Francisco.

Word received by one of the fans here from a party interested in the fight that was to be pulled off in Reno between Jack Bratton and Eddie Miller two well known featherweights state that Miller ran out of the match that he hasn't yet returned the two round trip tickets that were sent to him by the promoters of the match.

Miller, who was being boosted into a return match here with Frankie Malone for some time next month will surely not gain the favor of the fans who hear of his ways of doing business.

JUICE FOR MILLERS
DELIVERED TONIGHTBIG MILLS IN THE VALLEY SUB-
JECT TO SERIOUS DELAY BY
SUNDAY'S FIRE

The milling situation at Millers is acute owing to suspension of the electric service due to the destruction of the transformer station last Sunday. The solutions are kept in motion so far as temporary expedients can be supplied in the way of gasoline engines to maintain agitation, but by this evening it is expected to have the transformers cut in and the juice running through to the motors.

The greatest damage was caused by water which flooded the transformers where it mingled with the oil contents and render it a slow and tedious job to separate the elements.

Arrangements have been effected by the Tonopah Mining company to add another shift to the big mill which has been running for some time on a two shift basis. The change was to have taken place on the first of the month but, as soon as the repairs can be completed the resumption will call for three crews.

DYNAMITE CLEARS SNOW
AWAY IN JIG TIME

That powder may be used to advantage in clearing snow from roads, has been demonstrated on the Geiger, grade, and what appeared to be a two week's job under ordinary methods, has been accomplished in less than one. One 200-foot drift, from four to seven feet in depth, was cleared away in one day, and the entire work has been finished in jig time. We believe a new record for road work on a mountain grade in this section has been established. —Virginia City Chronicle.

ELEVEN THOUSAND EMPLOYEES
OF HARVESTER ON STRIKE

(By Associated Press.)
CHICAGO, May 2.—Four thousand more employees of the International Harvester have struck, making a total of 11,000.

THE BOWLER ESTATE

Miss Emma I Bowler has been appointed administratrix of the estate of her father the late P. M. Bowler. Her bond was fixed at \$500. The estate consists principally of prospective fees.

MIZPAH EX. SENDING
OUT A SHIPMENTORE BEING HOISTED FROM THE
1155 LEVEL AFTER EXTEN-
SIVE DEVELOPMENT

The new ore platform at the Mizpah Extension mine is now filled and the first carload of ore will probably go forward soon.

The rock is generally oxidized, but it contains a considerable quantity of sulphide, it being extracted from about the permanent moisture level, although far above the point where water flow might impede work.

The ore is being taken from a ledge about 2 1/2 feet wide on the 1155 level. This ore body has been opened for over one hundred feet. Another ledge which is wholly sulphide, is being opened near the oxidized ledge, but thus far no ore has been hoisted.

The future of the Mizpah Extension will be determined May 6th at the annual meeting of the Tonopah Mining company and whatever action is taken by that company, which holds the option, will be submitted to the annual meeting of the Mizpah Extension which has been postponed to June 9th.

EASTERN STAR HONORS
THE WORTHY MATRONTURQUOISE CHAPTER ENTER-
TAINS MRS. BURDICK WITH
WARM WELCOME

A delightful affair was given Saturday evening at the Masonic hall by the members of Turquoise chapter of Eastern Star in honor of Mrs. Burdick, grand worthy matron of the State of Nevada. Mrs. Burdick was asked to give the members a practice before the regular yearly inspection. When the grand worthy matron arrived she was overwhelmed with surprise for instead of quiet and solemnity, laughter and gaiety reigned supreme.

The evening was given to cards and it was the usual success of Eastern Star parties. Mrs. J. Tasem was the fortunate winner of the ladies prize and Mr. Ryckman the successful gentleman. There were consolation prizes too. Mrs. Ryckman won the lady's prize while Dr. Burdick was the "boob" among all gentlemen present. A buffet supper was served after the game of cards.

TWO MORE DRILLS FOR
THE MONARCH PITTSMONARCH PITTSBURG PUSHING
DEVELOPMENT IN EAST AND
WEST DRIFTS

This morning two more drills were added to the equipment of the Monarch Pittsburg with the object of pressing development in the east and west drifts where there is a fine showing of breccia. This is regarded by the management as the most important showing thus far and Manager Branch Smith is enthusiastic over the prospects. The Extension breccia appears on the footwall and the hanging wall is in West End rhyolite and, if values are not found in this formation it will be the first time in the camp that such a disappointment has occurred.

J. M. FENWICK, the Goldfield broker, motored over last night to find out what is going on in Tonopah stocks. He says Goldfield is looking up on the strength of the recent discovery on Silver Pick.

WEATHER BUREAU
MONTHLY REPORTWARMER THAN THE NORMAL BY
A FEW DEGREES WITH HIGHER
PERCENTAGE OF SUNSHINE

The monthly report of the U. S. weather bureau for the month of April as compiled by H. Legler, the local observer, shows Tonopah enjoyed one of the finest periods in the history of the station since the mean temperature was 59 compared with 47 last year and a low of 42 in 1912 and a maximum of 61 in 1907. The highest temperature was 73 on the 27th and the lowest 26 on the 12th. The precipitation for the month was .56 compared with 3.26 last year when the big storm came in on the last day of April to swell the total. The maximum velocity of wind was 34 miles an hour on the 5th with the wind coming from the northwest. There were thirteen clear days, 14 cloudy and 3 on which it rained.

The phenomena of the month were represented by hail on the 11th and fog on the same day and the second. Sunshine was present to the extent of 81 per cent with ten days on which there was a full 100 per cent and 12 more days on which the sunshine registered over 90 per cent.

SCHOOL CONTESTANTS
APPEAR ON THURSDAYTHE HIGH SCHOOL DECLAMATION
TRIALS AT THE TONOPAH
HIGH SCHOOL

The annual high school declamation contest will take place in the gymnasium on Thursday evening of this week, May 4. This year there will be five contestants, three boys and two girls, and the evening's entertainment will be a very enjoyable affair. The high school orchestra has been busy preparing special music for this occasion and Miss Fields will give a reading.

The entrants in the boy's contest are Walter Rountree, Henry Lamb and John Cuddy, while in the girls' contest Helen Davis and Gracella Rountree will compete. The winner of each contest will be sent to Reno to represent the Tonopah high school in the big inter-scholastic declamation contest at the University on May 12.

WILL WORK AT DEPTH

A fan is being installed in the 1700 level of the Halifax and work will be resumed later in the week in that superheated portion of the mine.

BROKERAGE SERVICE BY
'PHONE

There are two 'phones in my office, for the convenience of patrons and all persons interested in stock quotations and the latest market news. My 'phone service is at your disposal, either for the purpose of giving you the latest information, or for executing your market orders. All orders by 'phone will receive prompt and confidential attention. Call either No. 1442 or 2072.

AMUSEMENTS

BUTLER THEATER

The program at the Butler this evening will consist of a Burdon Holmes travel picture entitled, "Summer Days Near San Diego," in which Mr. Holmes shows you Coronado Beach, the famous Hotel del Coronado, Panama, California exposition, a young woman leaping with parachute from an airplane 1,000 feet in the air and many other interesting scenes.

The feature is "The Voice in the Fog," in which Donald Brain makes his debut as a Paramount star in a production of the Jesse L. Lasky feature play company, and is a picturization of Harold McGrath's widely read novel of the same name which is considered one of the masterpieces of modern day fiction of suspense and mystery. Mr. Brain is perhaps the most popular young masculine star on the American stage. He became famous several years ago when he originated the role of Prince Danilo in "The Merry Widow," and since then he has toured the country several times at the head of his own big musical comedy production. Tomorrow, a Pathe comedy, and a romantic, exciting, emotional drama entitled, "Souls Enchained," featuring the celebrated Lyda Borella. Tomorrow and Thursday, Taylor and Howard, another vaudeville team billed as "The Original Nuts from Brazil," will appear in a singing and talking travesty. This is the second team touring across the country by auto, having recently closed a vaudeville tour on the coast. It is quite fortunate also that these teams have taken to this mode of travel as it gives to the theater goers a little diversion from the regular picture program and an opportunity of seeing a little vaudeville occasionally, which would otherwise be impossible.

SHEEP SHEARERS ARE
IN HAWTHORNE

Fifteen sheep shearers, with of Captain Jesus Vega at their head, arrived here Monday and started in their work of relieving the flocks of their winter coats at the Nicolas shearing pens. They will be here about two weeks and between 10,000 and 15,000 head will be shorn.—Walker Lake Bulletin.

VEGETABLE SEEDS ARRIVE

The Bonanza office has received from Senator Pittman a sack of vegetable seeds which may be obtained at this office on application. A few more packages of flower seeds remain from the former shipment. Children must bring an order from their parents.
